

AP Calculus Summer Work 2018

Welcome to AP Calculus! You will be working on chapter 1 and 2 as well some review of Pre-Calculus during the summer. I have created a Google Site which has all the material and explanations you need. You can access the site [here](#). You need to access this site being logged on to your NDA gmail. Please do not hesitate to contact me if you have any questions at all. My contact information is hgabriel@nda-worc.org.

Have a great summer!

Mrs. Gabriel
