This can be a typed document or a notebook/journal that you keep while you read. You will turn it in during your first class. Be prepared to be quizzed on the novel and to discuss it for the first two weeks of school.

Advanced Only: Write a 1-2 page (typed, MLA format) analysis of one of the cultural components you observed in your Reader's journal. Create an introduction, clear topics, use evidence (and parenthetical citations), and conclude your ideas effectively. This will be collected during the first class.
