# NOTRE DAME ACADEMY 2020-2021 Financial Aid Information

## **Applying for Financial Aid:**

The education NDA provides is largely funded by tuition. While we make every effort to keep tuition costs within reason, we recognize that some families require financial assistance. We encourage families to apply for financial aid as early as possible in the process. NDA bases its financial assistance on demonstrated financial need and cannot guarantee the availability of funds for late applicants. Families must re-apply for financial aid each year by completing an application with current financial information.

If you wish to be considered for financial aid, you must apply online at through FACTS. That information will be available in several weeks.

If you have any questions about the financial aid process you can contact our Business Manager Ewa Mamro at [emamro@nda-worc.org](mailto:emamro@nda-worc.org)
