FREQUENTLY ASKED QUESTIONS

Can I still book the Italy trip even though it's past the deadline?
Yes! Registration is still open and you can book anytime up until we fill the trip. While a deposit is due at this time if you register later you may just owe more money at registration time. Keep in mind that space is limited so we encourage you to register as soon as possible.

Can parents attend the trip as well?
Yes! Parents or guardians are most welcome to accompany your child(ren) on this trip! You might consider getting your own room or sharing with another parent if your child would like to share a room with a friend. Or you can share a room if you prefer.

My daughter would like to register for the trip but does not know who else is going or who to put down for a roommate request, what would you recommend?
Register her for a double room in the meantime and put "TBD" in the roommate field. Once we have all of the registrations Mrs. Lian will talk to the students without a roommate to find someone they are comfortable rooming with.

My middle school daughter would like to attend. Does she need a parent with her?
Yes. We would love for your middle school child to share in this experience and we feel it is safer to have a parent or guardian accompany their child in the 7th or 8th grade being so far away from home.

Will there be additional fees associated with the trip?
The price of the trip covers many parts of the trip but it does not include all expenses. Tip money for tour guides and bus drivers will be collected as we get closer to the tour date (the tour company will give us a recommended tipping amount). You will also need money for lunches and some dinners as well as snacks and spending money.

Should we purchase the trip insurance?
It is not required but we highly recommend the trip insurance. Trip participants in the past have regretted not having it.
